

(g) *Travel.* All travel must be separately identified in the proposed budget as planned in-State, planned out-of-State, unplanned in-State or unplanned out-of-State. All proposed travel must use coach class, apply directly to specific work of the SBDC or be incurred in the normal course of Program administration, and conform to the written travel policies of the recipient organization or the sponsoring SBDC organization. (Per diem rates, including lodging, shall not exceed those authorized by the recipient organization.) Transportation costs must be justified in writing, including the estimated cost, number of persons traveling, and the benefit to be derived by the small business community from the proposed travel. A specific projected amount, based on the SBDC's past experience, where appropriate, must also be included in the budget for unplanned travel. A more detailed justification must be given for unplanned out-of-State travel. Any proposed unplanned out-of-State travel exceeding the approved budgeted amount for travel must be submitted to the Project Officer for approval on a case-by-case basis. Travel outside the United States must have prior approval by the AA/SBDCs on a case-by-case basis.

(h) *Dues.* Costs of memberships in business, technical, and professional organizations shall be allowable expenses. The use of Federal funds to pay dues for business, technical and professional organizations shall be permitted, provided that the payments are included in the budget proposal, are approved by the SBA and comply with § 130.460(e).
